• INDEX *to* VOLUME XXXVII •

ALL articles are indexed under the first principal word in the title and under the surname of the author. The name of each contributor to Trends and Tangents is followed by the subject with which his column deals and (T). Review essays are listed by title, author, and essayist. A book review is listed under the author's name only; (R) indicates a book review, and the name of the reviewer is also in parentheses. All departments are indexed by inclusive pages. The names of authors, columnists, and essayists are printed in large and small capitals.
